**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
PURSUANT TO 37 C.F.R. §1.181**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition the Commissioner of Patents and Trademarks to invoke the supervisory authority of the Commissioner, pursuant to 37 C.F.R. §1.181, to withdraw the Office's holding of abandonment in the above-captioned patent application.

Statement of Facts and Points to be Reviewed

On **October 4, 2004**, the Patent Office mailed a Non-Final Rejection in the above-captioned patent application. On **January 7, 2005**, Applicants responded, by First Class Mail, by filing an Amendment. The response was then entered into the record.

Applicants then, based on the docket system, made inquiry into the status of the case by means of the Patent Application Information Retrieval (PAIR) system and determined that on **January 25, 2005**, a Notice of Informal or Non-Responsive Amendment had been mailed. However, this notice was never received by Applicants attorney.

Enclosed is a copy of a docket report for the above-referenced application. The Matter ID listed on the docket sheet is indicated as 0274.02-3278.2US which corresponds to U.S. Application 09/877,635. The docket record indicates that the Notice of Non-Compliant Amendment was never docketed. Had the notice been received, it would have been entered as received and would have been docketed. I hereby certify that the notice was not received and that the file jacket and docket records were searched indicating lack of receipt of the same.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Applicants respectfully submit that this petition is timely filed, as the Notice of Abandonment was mailed by the Patent Office on September 27, 2005, and Applicants have filed this petition within two months of the mailing date of the Notice of Abandonment.

No fee for this petition to the Commissioner is required under 37 C.F.R. 1.181(d), as indicated by MPEP §711.03(c).

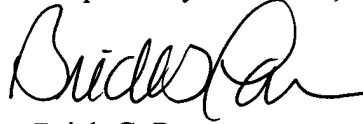

Relief Requested

In the present situation, Applicants filed an Amendment by the deadline and did not receive subsequent Notice of Non-Compliant Amendment. Accordingly, the holding of

Serial No. 09/877,635

abandonment by the Office is inappropriate and in error, and should be withdrawn, prosecution of this matter before the Examiner be reopened and an Office Action or Notice of Allowance be issued in a timely manner.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Brick G. Power", written in a cursive style.
